PROFILE

Versatile Video Production Specialist with a strong background in creating commercials, corporate and promotional videos, training modules, and event coverage. Skilled at delivering compelling visuals and crisp audio by collaborating closely with teams and clients. Driven by a commitment to produce impactful content that meets and exceeds expectations.

WORK EXPERIENCE

Video Specialist

Michael O'Rourke Productions, Inc. / Chicago, IL
January 2016 to Present

- **Video Editing, Color Grading, Sound Design, & VFX:** Transformed raw footage into polished, high-impact content, enhancing visuals and audio to align with project goals.
- **Location Audio Mixing:** Captured clear, high-fidelity audio on set, ensuring professional sound quality for final edits.
- **Grip and Lighting:** Collaborated with the DP to design lighting setups and handle equipment, contributing to visually compelling footage.
- **Camera Operation:** Operated cameras for interviews, corporate events, and multi-camera shoots, consistently capturing high-quality footage.
- Maintained strict control over project timelines and budgets, adapting quickly to client feedback and changes.

Video Editor

Comcast Spotlight / Chicago, IL
January 2016 to Present

- **Video Editing:** Edited hundreds of local commercials under tight deadlines, maintaining high-quality output.
- Managed quick-turnaround projects while efficiently juggling multiple client requests.
- Worked closely with producers and account executives to ensure commercial spots met brand guidelines and exceeded client expectations.
- Achieved a high success rate of on-time deliveries and client satisfaction.

EXPERIENCE CONTINUED

Production Assistant / Audio/ Grip & Lighting

Red 19 Creative / Chicago, IL

April 2018 to August 2023

- **Location Audio Mixing:** Captured clear, high-fidelity audio for a variety of projects, maintaining professional sound quality in post-production.
- **Grip & Lighting:** Assisted with setup, adjustment, and breakdown of lighting and grip equipment.
- **Production Assistant:** Oversaw on-set logistics and coordinated tasks across multiple departments to ensure the shoot ran smoothly.
- Collaborated closely with producers, directors, and fellow crew members to deliver high-quality results and meet tight deadlines.
